

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

# RUSSELL & WINSLOW'S

## SYLLABUS—DIGEST

# United States Supreme Court Reports

Volume I now Ready, 1650 pp. Price, \$6.50 net.

A NEW WORK ON A NEW PLAN  
THE ONLY COMPLETE KEY TO THE UNITED STATES SUPREME COURT REPORTS

By WM. HEPBURN RUSSELL and WM. BEVERLY WINSLOW, of the New York Bar

This volume alone is worth more to active practitioners than all other Supreme Court digests combined.

It presents, in alphabetical arrangement, from A to G inclusive, **The Official Syllabus** of every case decided by the Supreme Court of the United States up to Volume 177 U. S. Therefore this volume is in itself a complete digest of nearly every question heretofore determined by the Supreme Court.

More than this, the Work as a whole is **virtually a condensed set of the official reports with all subsequent citations to each point shown at a glance.** It is invaluable to students and lawyers having small libraries.

It is invaluable to practitioners in the State as well as in the Federal Courts.

It is a **brief-maker that can be relied upon.**

It gathers all related federal authorities in chronological order, and a lawyer can, with its aid, prepare in an hour a brief that without it would require days of arduous effort.

**It determines definitely the present value, as an authority, of every case heretofore decided by the Supreme Court, and places at the finger ends of the busy lawyer all the law heretofore enunciated by our greatest judicial tribunal.**

It is not an illy digested mass of references to State decisions cited to mere dictums of the Supreme Court, but is a systematic and orderly presentation of the cases, alphabetically arranged, with the official syllabus of each case taken from the official Reports and appropriately side-headed; and all subsequent cases to any given syllabus point are cited in connection therewith, so as to be the subject of instant reference.

It is a practical book for practical lawyers.

The work will be completed in three large volumes of about 1650 pages each, covering the cases, with an Index Digest by subjects in a separate volume.

FOUR VOLUMES, IMPERIAL, OCTAVO, \$26.00 NET
